SNOWPEAK & ARTEMIS® AIR GUN AND ACCESSORIES

AIR GUNS

RIFLES & PISTOLS

Our Air rifle will serve you well for Hunting, Target practice, Pest control, Small game & in Competition.

- *Air rifles got attractiveness in the last decade, together with that fame a fleet of highly-accurate and user-friendly air guns hit the shelves.*
- *Defender providing best quality air rifles. We have world best brand Snow Peak & Artemis Air Rifles.*
- *You want for home use or professional use, you'll find a great selection here,*
- *They are, low ammo cost, and suitable for urban environments. These rifles shoot metal projectiles, such as pellets, slugs, or bbs, for multiple use.*
- *At Defender, we Specialize in top-quality PCP Air Rifles. If you're looking for is what the top shooters use, then look no further. Pre-charged pneumatic rifles are what really made the air gun most exciting Out door hobby Now days.*
- *If you want to get into a serious type of shooting, choosing a compressed air rifle is a great decision. PCP air rifles are powerful, smooth, and accurate. You want big power from a smaller gun, PCPs are what you have been looking for.*
- *Treat yourself to a high quality air rifle, and you will love shooting.*
